

Power Charged PowerSessions

90-Minutes

Ready. Set. Launch

IDEATE.

We get to work right away and determine your mission, values and core purpose for the business. Whether brand new or reimagining who you want to be - this is the first step of the journey.

ANCHOR.

It's time to dig deep and choose the words and themes that will anchor the decisions you just made and carry you through this process and onto your future vision of growth and success.

CLARIFY.

What does success look like? If you don't know where you want to go, how will you know when you arrive? We're going to get specific on your goals and make definitive choices.

BRAND.

What does it all mean. Decisions on your brand, its promise, and how you will start to deliver your vision is established.

GOALS.

2 - 3 specific goals are created so you know what you have to do next. Whew! This PowerSession is almost over - now the real work begins.

NEXT STEPS.

Leave with a set of 2-3 clear next steps you so can execute on your plan and take your vision to the next level. Are you ready?
